## *Holy Matrimony Guidelines*

## **Congratulations on your engagement!**

We are delighted that you have chosen to celebrate your marriage at N.E.T. Catholic. We are a network of sister parishes which consists of All Saints Parish in Lansing, Holy Cross Parish in Dryden and Saint Anthony Parish in Groton.

We are here to assist you in your Catholic wedding preparation. Such preparation will require some time so **contact us at least six months in advance**; the sooner the better!

In the Roman Catholic tradition, **Holy Matrimony is a Sacrament**. The lived, day to day relationship sealed through the exchange of vows becomes a sacred place to experience God's incredible love.

For Holy Matrimony in the Catholic Church, two persons, at least one being Catholic...

- Freely enter into a vowed commitment of respect, reverence and love.
- Make this promise for a lifetime, which includes the promise of fidelity, and
- Open to bearing children, providing for their good and bringing them up in the faith.

The exchange of promises between the bride and groom is a commitment to love one another for life. Thus the couple's love and pledge of fidelity becomes a sign of God's love for God's people. This powerful promise speaks to all those assembled. The priest or deacon, the families of the couple, the attendants and the assembled gathering of friends, witness what the bride and groom promise.

**The Church will be reserved for you and the date for your wedding will be set only after you have had your initial interview with the minister you chose for your wedding. This could be Father Jorge Ramirez. If you intend to have a guest minister you will still need to have an initial meeting with Father Jorge. An \$100.00 deposit** should be sent in soon after this interview and is refundable if plans for your wedding change and the church is notified well in advance.

**In conclusion**, these months of preparation for your marriage will be busy and exciting. If you find there are ways in which the parish staff can be of

assistance, please contact us. While your engagement, showers, rehearsal, reception and honeymoon are all significant parts of the celebration of your Holy Matrimony, the Rite of Holy Matrimony is seen as the center of the Christian celebration.

**May these days of preparation hold many blessings!**

*“Over all these virtues put on love, which binds the rest together and makes them perfect.” Colossians 3:14 4*

**Things to keep in mind for your preparation:**

**Both parties must be free to marry.**

(If not a member of this parish, permission must be obtained from your parish)

**PRE-CANA**

All couples preparing for the Sacrament of Marriage are required to

participate in a Pre Cana Session. Information about sessions being offered in the Diocese of Rochester can be found at the following web address: <http://www.dor.org/index.cfm/evangelization-catechesis/sacraments/marriage/>

### **“Fully Engaged” Questionnaire**

To help in the preparation process, you will be asked to complete a marital inventory indicator, called “Fully Engaged.” This tool provides assistance in articulating values that we hold sacred and value highly in couple communication. More information can be obtained from the following web address: <http://www.dor.org/index.cfm/evangelization-catechesis/sacraments/marriage/fully-engaged/>

### **Newly issued Baptismal Certificate**

All Catholic parties are required to produce a newly issued copy of a baptismal certificate which can be obtained, at no charge, from the church of your baptism. It should be issued within six months of the wedding.

### **Marriage License**

You will need to secure a New York State marriage license, which can be obtained from any city or town hall. Please bring it in the envelope to the rehearsal.

### **If couple is being prepared outside the Diocese of Rochester**

When preparation and paperwork is complete your paperwork must be sent by the preparer to that diocesan Chancery, who will send it to the Diocese of Rochester Chancery and who will then send it on to the church where the wedding is to be registered. Paperwork must be received before the date for rehearsal.

### **If couple is being married outside of the Diocese of Rochester**

Our parish staff is happy to assist members of the parish who are being married in another diocese. You must have permission from the pastor for this to occur and you will need to fulfill the requirements of this diocese. Please contact Father Daniel for further information.

## Offering

**For the use of one of the churches .....\$350.00**

This fee includes the fee for “Fully Engaged” Questionnaire/& book \$30.00, Parish Organist \$125.00 and Cantor \$110.00 and \$85.00 for the Church facility is all included in the one fee paid to the Parish.

\$100.00 deposit - \$100.00 paid 3 mos. before wedding - \$150.00 paid before the day of rehearsal. You may also pay the entire fee at the time of the deposit if you so wish.

## Minister:

There is no set fee required to the Priest or Deacon for the assistance, guidance and services offered for your wedding.

## Meetings *(normally at least five are required)*

- **Initial Interview with Father Jorge:** To get acquainted and answer any questions you may have.
- **Second meeting:** For the remaining meetings, you will meet with the minister you chose, **it is always the couple’s choice if they want Fr. Jorge or another priest or deacon to witness their wedding. The chosen witness will be the one to preach at the celebration of Holy Matrimony.** At this meeting you will fill out necessary preliminary paperwork, which includes determining your freedom to marry, and confirming the date and time for your wedding.
- **Third & Fourth Meeting:** This is an opportunity to review the “Fully Engaged” profile, and provide you with materials to plan your wedding ceremony.
- **Fifth Meeting:** (Usually conducted once Pre-Cana is completed and Baptismal Certificates have been obtained. See checklist) to complete paperwork with the documents you bring. This is also an opportunity to meet before the rehearsal to discuss your selections of readings, etc. for your wedding and answer any questions before the rehearsal.

Depending on where you live and other circumstances there is a possibility to meet more or less often.

## **Music**

You need to discuss your music choices with the minister, who will then seek approval of choices from the parish music director. There are some restrictions on the music that may be used at a Church wedding. Ideally, you will plan some music the congregation can sing so that all can praise God and pray together for you in music. This is a powerful way to help your friends and family be participants, not simply observers.

Our parish music director can make recommendations for possible cantors. Our parish musicians are generally available to play at your wedding if not already booked. The fee for the organist (including consultation, one rehearsal and ceremony) and cantor is included in the church fee if your wedding is at one of our parish churches. You may have a musician who is not affiliated with the parish. However, the church's fee will remain the same and they would need to contact our music director for information and permission to participate. Diocesan policy requires that they be paid through the church. So, their fee will be added to the church fee (along with a small administration fee). They will also be required to fill out the appropriate paperwork in the parish business office.

## **Photographers**

Couples being married should ask their photographer to respect the sacredness of the Church and the holiness of the commitment they are celebrating. Therefore, the photographer is expected to abide by the following guidelines and do nothing that will distract from the ceremony itself.

Please ask the photographer to introduce themselves to the Presider before the liturgy and receive any last minute instructions. Photos may be taken in the aisle before Mass begins and from the choir, side aisles or back, during Mass.

A video camera may be set up out of the way and may run throughout the ceremony, provided it is not moved and the photographer does not move about in a distracting way. Be sure that the placement of your equipment does not obstruct the flow of traffic in the aisle at communion time.

To keep the focus on the Mass, the wedding ceremony and the Bride and Groom, no photos may be taken from anywhere in the sanctuary during the ceremony. No flash photos may be taken during the homily or during the Eucharistic Prayer, the consecration or communion of Mass.

You may remain in Church for photos after your celebration. **If your wedding is scheduled at Saint Anthony for Saturday afternoon, photography must conclude no later than 3:45 p.m, when everyone is to leave the church and parking lot.**

### **Do's**
